### **Featured Book:**

#### **Quest for the Source of Darkness by Patricia Perry Book One In Fantasy Trilogy**

**Quest for the Source of Darkness**, a potent magic sought by the evil demon Mahn, surfaces in the land. Mahn uses an army of demons and subjugated men to plague the Races while seeking the power to destroy all mortals. The elves, dwarves and the nomadic Herkahs must find a way to unite and thwart Mahn's advance and secure the Source of Darkness before he does.

**Quest for the Source of Darkness**, is not the only magic in the land. The elves also have a power, the Green Might, but it is as elusive as the sinister force Mahn is pursuing. If Mahn manages to obtain the Source, then he will be powerful enough to seize the Green Might and take away any chance the allies have of defeating him.

The fate of the land rests in the hands of individuals who must first confront their own inner demons before they can challenge Mahn.
