

Books In Sync Author Testimonial From Author Alberta Sequeira

Q: If You Are A New Author To Books In Sync, What Do You Like Most About Our Service?

A: I joined in November of 2009, and I can't believe the growth in this site with services for BIS authors.

Q: If You Are A Returning Author With Books In Sync, What Do Like Most About Our Service?

A: I'll be returning in July with a new memoir being a sequel titled 'Please, God, Not Two; This Killer Called Alcoholism'. Why? Because I have no doubt that this site is trustworthy of offering services to their authors in so many fields with prices that are half, if not more, than other websites. BIS's main concern is helping each

author grow and get themselves and their books known.

Q: Are You Experiencing An Increase Of Book Sales?

A: No, I'm not. I truly believe websites are necessary for authors to be seen, but will always need the author's own promoting and marketing most of the time. I've always felt, "You have to be in the right place at the right time!" How? Well, taking advantage of the services with these very reasonable prices from BIS.

Q: Are You Experiencing An Increase Of Visitors To Your Own Website?

A: I'd say it's a steady flow with the every seven day report. Sometimes, the hits surprise me with the amount. The problem is trying to get readers to have the desire to purchase the book.

Q: Do You Send Reader's To Your Author's Page To Cast A Vote For You And Put You In The Visitor's Choice Award Contest?

A: No, but I have BIS listed on my website with their website and email link.

Q: Did You Use Any Of Our Author Specialty Services In The Last Year?

A: I had reviews and a slide show presentation.

Q: On A Scale Of 1-10 How Would You Rate Our Author Specialty Services?

A: I still haven't looked at all of them, because of the deadline with my sequel, but I plan to. As for the services I'd purchased; a 10.

Q: Have You Or Would You Recommend Books In Sync To Other Authors?

A: I have already; on my site, my blog, fliers in libraries and bookstores.

Q: On A Scale Of 1-10 How Would You Rate Books In Sync Over All Performance?

A: A 10. No matter what you want or need to know, you get a call back that day. If you want a service, it's explained in detail with time, how it will be done and the full amount up front.

Q: What Do Like Best About Books In Sync?

A: The growth with the website. It gives me confidence it's here to stay. I also hit on the site first to see if they have the service I need.

Q: What Could We Do To Improve Our Service?

A: I have a challenge: What about a way of listing our books with film companies in the USA and Internationally.

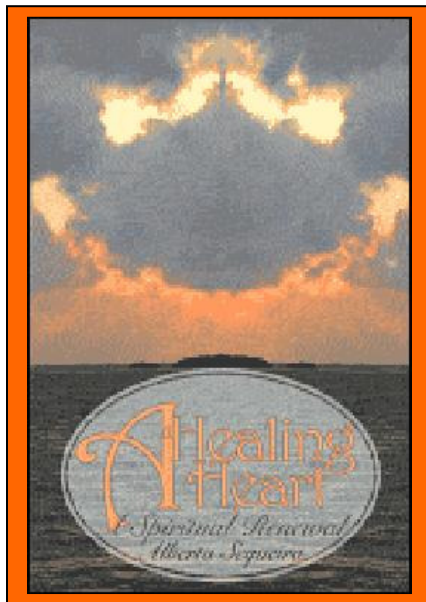

Additional Special Comments Or Praise?

I have had nothing but professionalism from each service.
