**Featuring: [Juno and the Windwalker](#) by [Julie Hodgson](#)**

Juno, a brave little man, from a brave new world faces a challenge to test his wits. He meets the legendary Windwalkers, a race of beings that had never been seen, only stories where told about these creatures. On Mallum his trusty horse he sets out on his adventures. The tree of Yggdrasil, stretches out its wonders before him... requiring Juno to use his intelligence, not his strength, testing this young man beyond his imagination. This is a special large print paper back for children.

Pre-Review: I have just ordered this book for my son. The preview was good, clear and easily read. I shall write a review when my son gives me his verdict. Like the cover illustrations. Juno looks just like you described him.
