

Reviews For Brilliant Insanity

"Brilliant Insanity is awe-inspiring insight into the mind of a serial killer. The character Marion Lewis Reinhart grabs your attention and helps you on the edge, as you yearn to learn more about this disturbed and unique individual. I didn't want to stop reading this book. I desire to learn more."

April Campbell, Author

Mind Games

A young female reporter gets the story of her career and her lifetime in Yvonne Mason's Brilliant Insanity.

Marion Lewis Reinhart is about to be executed in just a matter of days for the murders of several women. He has chosen Amanda McQuaid, reporter for The Fort Pierce Sentinel to give his final story to, his side of things...things he has never admitted to until now.

Emotions run wild, as he relays every detail of his heinous and unbelievable crimes to this reporter who has her own reasons for even continuing the nightmarish interview. She needs answers herself; regarding her own past which she fears Reinhart has a hand in.

Make sure you have no interruptions for this read, because each page will have you clamoring for more. With an ending that will shock you to your core, Mason's Brilliant Insanity delivers a read guaranteed to keep you turning each page to the mind blowing last sentence.

"Brilliant Insanity" is an unprecedented voyage through the demented mind of mass murderer, Marion Lewis Reinhart. Who is Reinhart? What is Reinhart? Yvonne Mason draws you into a world of suspense and harrowing sadism interjecting lucid illustrations and stark, chilling portrayals. However, Mason leaves no stone unturned as she delicately weaves in the budding romance between Mandy and Allen. With her book, "Brilliant Insanity," Mason has proved herself to be an indelible author. - Deborah Simpson, Author of "Chronicles of a Sage: Spiritual Revelations via Canto"

"Brilliant Insanity", is...

"Twistedly twisted, in her twisting of the twisted mind,...

Yvonne Mason is brilliant, in her own insanity."

T.M. Mason
