

In Freedom's Light Reviews

My husband gave me this book to read after he loved it and I am so happy he did! "In Freedom's Light," puts the idea of family first. It was wonderfully written and terrific to read a tale with such a positive message.

5.0 out of 5 stars Leaves you happy!, September 24, 2007

By Claudia (New Jersey)

This was a great, uplifting story. Robert Saniscalchi's work, "In Freedom's Light," provides a light-hearted escapist story. He is particularly skilled at describing the scenery and drawing you into the character's lives.

5.0 out of 5 stars Highly recommended!!!, September 24, 2007
