

Silent Scream - Review by Martha A. Cheves, Author of Stir, Laugh, Repeat

I don't normally read True Crime. I like fiction because I know it's unreal. When I decided to read Silent Scream I didn't expect to like it and thought I might read a few pages and lay it down. That didn't happen. I couldn't put it down. As I read I felt as if I was a witness watching this evil man do the things he did to these young women. As I read through the trial I felt like one of those ready to convict him. As I listened to the comments by his wife, I could feel her pain and confusion. And as I finished the book, I wanted to read more. Yvonne Mason wrote this book as if she herself was a part of all of the happenings in this man's life. This is a must read book. It really opens your eyes to the evil that lurks in the real world."

Book Details:

ISBN: 978-0-557-01389-0

Print: \$20.95

Download: \$13.69

Genre: Suspense Drama
