

Silent Tales Book Excerpt

Silent Tales – My Destiny is part one of a trilogy. Book one unveils Travis Peterson's ailing desires of lust and the consequences of the betrayal to his family to satisfy his own sexual compulsions. The journey of Travis Peterson is without question compelling to see the desperation of one man's desire to cover up a trail of lies. His quest to deceive his family destroys his life and the lives of the people he loves the most. He pays the ultimate price for his duplicity.

Silent Tales II - The Promise picks up the steamy drama from the unfinished story of Chelsea and Chance's love affair which was a direct result of Travis' betrayal to his devoted wife Chelsea. Travis' lies and secrets caused a domino effect that is still causing havoc among the people he loves.
