Silent Tales II - The Promise

ISBN:978-0-9822092-8-8

Silent Tales II picks up the steamy drama from the unfinished story of Chelsea and Chance's love affair.

Although Chance is an officer of the law, he has no problem pushing the law aside in place of personal justice.

Chance is forced to face a life without his beloved Chelsea. But his undying love for her, and his relentless quest for the truth to find the person responsible for her death, will take him down a twisted road of deceit, murder and betrayal.
